EDUCATIONAL FUND

Do you work with patients living with long-term conditions? We are excited to announce our new [Educational Fund](#)! We're dedicated to supporting your professional development and enhancing patient care. Here's the good news: Throughout the year, we'll be selecting applications for fully funded course places for our extensive online library.

This is your chance to gain valuable knowledge in essential areas like: Asthma, COPD, Spirometry, Diabetes, Heart Failure and many more!

Entries are now open. Please check out our [website](#) to find out more. Thank you for your interest.

WE RECENTLY GIFTED PRIZES FOR THE LINCOLNSHIRE TRAINING HUB CONFERENCE

As a leading educator in respiratory and other long-term conditions, we gifted some of the well-deserved winners a complimentary Rotherham Respiratory course on us!

Well done to all the winners 🌟

WEB SEMINARS NOW AVAILABLE!

Interested in expanding your knowledge from the comfort of your home? We now share all available web seminars over on our website. Check out the page and register to join us! [Click here to find out more.](#)

Bronchiectasis Course

★★★★★

“Excellent content for improving knowledge and management of patients with bronchiectasis.

I will definitely be updating and improving patient Bronchiectasis Action Plans.

Many thanks.

REVIEW: BRONCHIECTASIS COURSE

Are you interested in learning about Bronchiectasis? [Book your place with Rotherham Respiratory today.](#)

The course covers epidemiology, pathophysiology, diagnosis, treatment options, self management strategies, and exacerbations management.

Our Interstitial Lung Disease (ILD) Foundation Course is endorsed by:

ARNS
Association of Respiratory Nurses

Book Now!

ILD FOUNDATION COURSE 🧐

Great news for those wanting to enrol on our Interstitial Lung Disease (ILD) Foundation Course...

Not only is our ILD Foundation Course endorsed by the Association of Respiratory Nurses (ARNS), but it is also now endorsed by the Interstitial Lung Disease Interdisciplinary Network (ILD-IN).

[The Interstitial Lung Disease Interdisciplinary Network](#) is a professional body that provides a supportive and collaborative network for health professionals of all disciplines who care for people with ILD.

WHAT TO EXPECT:

By completing our 15 hour ILD Foundation Course, you'll gain a better understanding of the importance of safe and accurate diagnosis. The course provides an overview of the prevalence of different ILDs and their impact. Current evidence on ILD management will be explored, including the role of non-pharmacological approaches and the importance of supportive care.

Our ILD Foundation Course has weekly start dates available, so what are you waiting for? [Enrol on our ARNS and ILD-IN endorsed course now.](#)
