JANUARY | 2025

HAPPY NEW YEAR! WE'RE BACK WITH A FOCUS ON LUNG HEALTH

January is here and with it comes a renewed focus on what keeps us breathing and thriving: our lungs. This month, we've been spotlighting the importance of lung health, sharing updates on our educational programmes, and celebrating our ongoing commitment to the community.

Stay in the loop by following us on [LinkedIn](#), [Facebook](#), [X](#) and [Instagram](#) for the latest updates on our courses and insights from our team of healthcare experts.

FIRST WEB SEMINAR OF 2025: WATCH THE RECORDING

Earlier this month, we kicked the year off with an insightful web seminar, **'New Asthma Guidelines: What Do They Mean for Children and Young People?'**.

Our expert speakers, Laura King and Viv Marsh, delivered an engaging and practical session, breaking down the latest updates to the asthma guidelines and their implications for your people.

Missed the live event? There's still time to catch up. [Register online here](#) to access the recording (along with many other useful web seminars) and stay informed on this essential topic.

EDUCATIONAL OPPORTUNITIES: WHAT'S COMING UP?

Bronchiectasis Educational Fund Applications Open 5th February

From 5th February, we will begin accepting applications for fully funded placements of our Bronchiectasis Course.

The Educational Fund is our commitment to supporting your professional development and equipping you with the latest knowledge to deliver exceptional care to your patients.

Designed by an experienced respiratory nurse for those in primary care and community settings, this comprehensive online course offers a deep dive into:

- Epidemiology and pathophysiology
- Self-management strategies
- Diagnosis and treatment approaches
- Exacerbation management

Take the next step in advancing your career and improving outcomes for your patients. Learn more and [apply on our website](#) from the 5th February.

Spirometry Courses – Updated and Coming Soon

All our Spirometry courses are being refreshed with the latest practices and insights. Stay tuned for updates on their release date and get ready to upskill in 2025.

SUPPORTING LOCAL TALENT: PROUD SPONSORS OF DEARNE AND DISTRICT GIRLS U12S

We're delighted to support the Dearne and District Girls U12s as their proud sponsor. Their energy and teamwork are truly inspiring. Check out these fantastic photos of the team in action, sporting their new kits. We can't wait to cheer you on.

STAY CONNECTED

2025 promises to be an exciting year for health professionals looking to expand their knowledge of long-term conditions, and we're just getting started. Keep an eye on our website and social media for more events, courses, and community highlights.

Warm wishes,
The Rotherham Respiratory Team
