JULY | 2025

WHAT'S NEW THIS JULY?

From educational milestones to community celebrations and new opportunities for professional development, July has been another busy month at Rotherham Respiratory! Here's a round-up of what we've been up to:

WORLD BRONCHIECTASIS DAY

1st July marked [World Bronchiectasis Day](#), a global reminder of the importance of early bronchiectasis diagnosis and high-quality care. As part of our commitment, we're continuing to offer [partially-funded places on this course, sponsored by Trudell](#), to support learning and development in this vitally important area. If you're interested, [get in touch to find out more](#).

EDUCATIONAL FUND: NOW OPEN

The [Hypertension Educational Fund](#) officially opened on 8th July. This fund provides support for healthcare professionals seeking to upskill in the management and treatment of hypertension. Head to our site for [eligibility criteria and application info](#).

28,000 STUDENTS AND COUNTING

We're thrilled to announce that by the end of July, we'll have officially passed 28,000 learners here at Rotherham Respiratory! A huge thank you to everyone who has been a part of the journey so far. Here's to the next milestone.

FEEDBACK THAT STUCK WITH US

We always appreciate hearing how our training helps make a difference in practice, and this month's feedback from a Community Advanced Practitioner in Cleethorpes really stood out:

"I absolutely love doing the Rotherham Respiratory courses, they are so useful in my job, and they are courses in which I want to undertake and enjoy doing. Being able to complete them at my own time and pace. When it is online I can stop and start the videos so I can make thorough notes. Once again thank you to the team."

UNDER 13S TOURNAMENT SUCCESS

A massive well done to our U13 girls football team, who took part in last weekend's tournament. The team showed fantastic energy, spirit and teamwork, and we're so proud as always to sponsor them!
