AUGUST | 2025

WHAT'S NEW THIS AUGUST?

From celebrating the contribution of those working in care to awarding fully funded course places and launching refreshed training, August has been a month of recognition, renewal, and opportunity.

WORLD AGED CARE EMPLOYEE DAY

On 7th August, we marked World Aged Care Employee Day, a day dedicated to honouring and showing appreciation for the tireless efforts and compassion of all those who work in the aged care sector. It recognises the essential role they play in ensuring the dignity, comfort, and well-being of older people.
