

MONTHLY NEWSLETTER

SEPTEMBER | 2025

WHAT'S NEW THIS SEPTEMBER?

From asthma awareness to updated course content, a conference appearance, and a brand new winner announcement, there's been plenty going on. Here's what's new this month at Rotherham Respiratory.

CONGRATULATIONS TO OUR COMPETITION WINNER!

We're pleased to announce that Lisa Smith is the [winner of our August competition](#)!

Lisa has secured a fully funded place on one of our CPD-accredited online courses.

Thank you to everyone who entered, and keep an eye out for our next giveaway.

Congratulations to our competition winner...

Lisa Smith!

DIABETES ADVANCING CARE COURSE REFRESHED

We've updated our Diabetes Advancing Care Course. If you've taken it before, now's a good time to revisit the content.

If you haven't, this is ideal for clinicians looking to build on their existing knowledge of diabetes management.

WHAT OUR LEARNERS ARE SAYING

"Just wanted to express my gratitude for providing this course.

What a great course this has been – full of information presented in an engaging manner with relevant and useful resources. Lots of practical information for improving consultation and clinical outcomes. Really great that primary care has access to these really great resources."

– Emma, Advanced Nurse Practitioner, Wrexham – Chronic Kidney Disease Course

ASK ABOUT ASTHMA WEEK: 8–12 SEPTEMBER

We were proud to [support the #AskAboutAsthma campaign](#) again this year.

Running from 8–12 September, it was a great opportunity to revisit best practice, reflect on asthma care pathways, and explore our CPD-accredited courses, from foundational content to more advanced modules.

WE ATTENDED THE PCRS CONFERENCE (18–20 SEPTEMBER)

We've just returned from the [PCRS Conference at Telford International Centre](#). It was great to meet so many of you in person, talk through our courses, and share more about what we do. We also ran a prize giveaway during the event, thank you to everyone who took part!

Congratulations to our winners, including Marie who is pictured below receiving her prize (a free course of her choice from our portfolio!) from our Specialist Nurse Steph. Marie chose a [COPD Advancing Care Course](#) – we hope you enjoy your learning journey with us!

MEET THE TEAM: GUEST TUTOR FEATURE

This month we're spotlighting one of our fantastic guest tutors. Keep an eye on [Instagram](#) and [LinkedIn](#) for the full interview, including course insights, clinical experience, and advice for learners.

WORLD HEART DAY – 29 SEPTEMBER

World Heart Day is a reminder of the role we all play in cardiovascular health.

Our online [Heart Failure](#) and [Hypertension courses](#) are both CPD-accredited, accessible anytime, and built to help clinicians deepen their understanding in practical, patient-facing ways.
