

MONTHLY NEWSLETTER

MAY | 2026

WHAT'S NEW THIS MAY?

It's been a month of reflection, recognition and learning here at Rotherham Respiratory. From celebrating professional milestones and supporting wellbeing across our community, to sharing learner success stories – there's been plenty happening behind the scenes, and across our courses.

23 WINNERS ANNOUNCED FOR THE EDUCATIONAL FUND! 🎉

We are delighted to announce that 23 applicants have been successful in securing a fully funded place on our Severe Asthma Foundation Course through our [Educational Fund](#).

We'd like to wish our warmest congratulations to all of the winners, who represent a wide range of healthcare professionals including GPs, practice nurses, paramedics, pharmacists, ANPs, and more.

All successful applicants have now been contacted via email. Keep an eye out for future funding opportunities.

SPRING INTO A NEW COURSE 🌸

Spring is a symbolic season of new beginnings and fresh starts. It's the perfect time to invest in your personal healthcare development and build your confidence by beginning your next course.

From the lungs to the kidneys, and beginner to advanced levels, there's courses to cover everyone's learning journey and expand your knowledge.

ASTHMA DAY WEB SEMINAR

In honour of World Asthma Day on the 5th May, we held a free web seminar with our dedicated course tutors Bev Bostock, Samantha Prigmore, and Viv Marsh.

The session covered the importance of improving asthma care to improve patient outcomes, and shifting practice to prevent attacks and reduce risk.

If you missed it, the [recording is still available to watch on our website](#) when you're ready to catch up.

NATIONAL MENTAL HEALTH AWARENESS WEEK

The 11th to the 17th May marked a whole week of [mental health awareness](#), urging us all to check in with ourselves and prioritise our own wellbeing.

For those who just need a moment to relax and reflect amongst the pressure, long hours, and emotional demands of working in healthcare, you can [take a moment to breathe with us](#). Even just a few minutes of controlled breathing can calm you down when things feel overwhelming.

National Mental Health Awareness Week may be over, but we urge you to remember to look after yourself, too. Self care is just as crucial as the care you provide to others.

AWARENESS WEEK**
11TH - 17TH MAY 2026

INTERNATIONAL NURSES DAY

On the 12th May, we [celebrated and recognised all of the incredible nurses](#) performing amazing work within healthcare.

The care and strength they show from the frontline work to the behind-the-scenes effort is truly appreciated. To those nurses who support our community every single day – thank you 

**THANK
YOU**

MAKING A POSITIVE IMPACT FOR OUR LEARNERS

We love hearing feedback from our learners, and this month we received some wonderful comments about our team. Angela, our Administrator, was praised for her outstanding support:

"I feel Angela has made this process so easy. She helped me with my enquiries, directing me to the right information. She is a lovely person and goes above and beyond her responsibilities. Thank you Angela."

We're incredibly proud of the whole team for the support they provide to learners every day.

CROSSING THE FINISH LINE

We are delighted to share that Joanne successfully completed the London Marathon this month! Running in support of Hospice UK in memory of her dad, Joanne showed incredible determination and resilience throughout the challenge.

Crossing the finish line was a powerful and emotional moment after months of training and fundraising. We are so proud of her achievement and grateful to everyone who donated and supported her along the way.

If you would still like to contribute, donations remain open via her [JustGiving page](#).

STAY UP TO DATE ON OUR WEB SEMINARS

Sharing our knowledge and informing others within healthcare is so important to us here at Rotherham Respiratory. Our free web seminars are a great way to gain more knowledge in an accessible way.

Many of our previous sessions are [still available to watch on our website](#), so you can learn whenever it suits you.

CATCH UP ON APRIL

Last month was a really exciting one for us all at Rotherham Respiratory. We shared our new and updated courses, official endorsements from PCCS and NPRANG, and re-discovered some of our previous courses.
