

MONTHLY NEWSLETTER

JULY | 2026

WHAT'S NEW THIS JULY?

This month, we've been busy doing what we do best here at Rotherham Respiratory – learning, reflecting, and celebrating. It's been an exciting time for our community of learners! Here's everything we've been up to over the last month.

BRONCHIECTASIS AWARENESS 🫁

On the 1st July, we recognised **World Bronchiectasis Day** – a chronic lung condition that affects thousands of people across the UK.

This year's awareness campaign was focused on early diagnosis, which comes from education in spotting the signs and knowing what to look out for in patients.

To support this crucial education, we proudly offer a **dedicated bronchiectasis course**. This is designed to help healthcare professionals develop their knowledge and confidence to effectively care for patients living with the disease and improve their quality of life.

KEEP LEARNING, KEEP PROGRESSING

Did you know that completing courses counts towards your CPD (Continuing Professional Development)?

Consistent healthcare education helps to keep you up to date with the latest guidelines and recommendations for patient care, as well as improving your skills and progressing your career.

Our portfolio of accredited online courses are designed to help you build your confidence in the field, develop your clinical knowledge, and stay informed on the latest best practices.

STAY UP TO DATE ON OUR WEB SEMINARS

Healthcare professionals are extremely busy, and availability can change at any moment. But education and the development of your knowledge remain crucial for delivering effective patient care.

Our **free web seminars** are a great way to gain more knowledge in an accessible way. Many of our previous sessions are still available to watch on demand, ready for you to catch up whenever suits you best.

OFFICIAL SPONSORS OF WATH FC

We're very pleased to share that we are the **official sponsors of Wath FC U10 Girls** for the 2026/27 season! We will be present across the team's home, away, and training kits for the year.

It is a pleasure to support a growing team in our local community. Grassroots sports help children to develop confidence, teamwork and lifelong healthy lifestyles – values that we proudly share at Rotherham Respiratory.

We're excited to follow their journey, and we wish all the players, coaches, and families every success in the upcoming season

CELEBRATING DEARNE & DISTRICT U13 GIRLS 🏆

The team at Rotherham Respiratory would like to wish a **huge congratulations to Dearne & District U13** for collecting their promotion trophy! They have just finished 2nd in the league, marking two years of consecutive promotions.

We're very proud to sponsor such a brilliant local team. Huge well done to everyone involved!

CONGRATULATIONS GIRLS!!

DIABETES HEALTHCARE COURSES

Whether you're supporting patients living with diabetes or just want to deepen your understanding, we have **three courses available** that are expertly tailored for nurses and healthcare professionals.

OUR COURSES:

Foundation Course in Diabetes Care and Management – tackling the complexities of diabetes to provide safe and effective patient care.

[VIEW COURSE](#)

Diabetes Advancing Care Course – focusing on the diagnosis and holistic management of the different types of diabetes, with suitable pharmacological and lifestyle interventions.

[VIEW COURSE](#)

Diabetes Update Course – furthering knowledge of the condition by focusing on the effective diagnosis and management of type 2 diabetes in patients.

WHAT OUR LEARNERS ARE SAYING

We love to hear the amazing feedback our online courses receive from hard-working learners. Here's a review we received from Charlotte, a practice nurse in Derbyshire, about our **Advancing Asthma Care course**:

"Very useful course for my own learning and improving my practice. I have already recommended to a colleague who is going to be starting in September. Thank you to Viv for all her excellent knowledge!"

Taking the time to share your thoughts about your experience means so much to our team, and helps us to proudly continue what we're doing. ❤️

CATCH UP ON JUNE

In our last newsletter, we shared many exciting updates, achievements, and celebrations across our team. There's refreshed online courses, recognition days, and even a survey to get involved in.
