

MONTHLY NEWSLETTER

SEPTEMBER | 2026

WHAT'S NEW THIS SEPTEMBER?

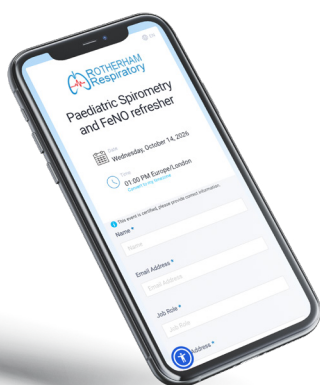

It's been a busy yet exciting time for us and our community this month! We've highlighted the crucial education we provide to healthcare professionals, got involved with industry conferences, and held a web seminar. Explore everything we've been up to lately at Rotherham Respiratory.

NPRANG WEB SEMINAR HIGHLIGHT

This month, we were honoured to host a web seminar on behalf of the National Paediatric Respiratory and Allergy Nurses Group (NPRANG). The group's speakers - Tom Ruffles, Emma Grainger-Allen, and Emma Sheppard - gave viewers an insightful talk on:

- ✓ Pharmacogenomics in childhood asthma: the journey so far and the road ahead
- ✓ Paediatric Allergy Update for 2026: what's new and what matters
- ✓ The 2026 NPRANG Conference

If you couldn't make the live web seminar, the event recording is [still available to watch on our website](#) whenever you're ready to catch up.

UPCOMING WEB SEMINAR

Wednesday 14th October, 1pm

Our next web seminar is just around the corner, with our speaker Phillip Lawrence discussing Paediatric Spirometry and providing a FeNO refresher. Phillip will also be covering key aspects from equipment and patient set-up through to reference values and interpretation.

Sign up today to gain free knowledge and develop your career with the passionate Rotherham Respiratory team!

AWARDS SPONSORSHIP 🏆

At the recent ARNS Conference, Rotherham Respiratory [proudly sponsored the prizes for the lucky winners](#) at this year's event, entitling them to enrol onto any of our online courses!

Congratulations to the winners –

✓ Respiratory Clinical Nurse Specialist Team,
Heartlands Hospital

✓ Lisa Rees

✓ Rita Gurung

It was fantastic to celebrate the amazing work and achievements showcased throughout the conference. Well done to everyone involved, and thank you to ARNS for another brilliant event 🙌

READY TO EXPAND YOUR KNOWLEDGE?

At Rotherham Respiratory, we specialise in providing crucial education to healthcare professionals in order to support their learning.

Whether you're looking to build your knowledge of the long-term health conditions affecting the lungs, hearts, kidneys, or pancreas, we're here to support your learning and development. Our portfolio of courses are evidence-based and delivered by expert, practicing nurses, ready for you to explore.

EDUCATION FOR ALL HEALTHCARE PROFESSIONALS

Respiratory education isn't just for respiratory specialists. It's crucial for ambulance service personnel, dieticians, occupational therapists, pharmacists, support workers, and many more on the frontline to build their knowledge around respiratory conditions to better support their patients.

Our online courses are designed for a wide range of healthcare professionals across both primary and secondary care to be able to advance this crucial education.

Even if you're just looking to refresh existing skills or strengthen your confidence in managing long-term respiratory conditions, our courses are a great place to start.

WORLD LUNG DAY 🫁

On the 25th September, we're marking World Lung Day and this year's theme of 'A Lifetime of Lung Health'.

Dedicated healthcare professionals keeping up to date on their education play a key role in supporting this mission. Designed to foster this vital learning, our lung-focused courses empower staff to expand on the knowledge, confidence, and practical skills they need to deliver quality respiratory care that delivers a lifetime of lung health.

Start your education journey today and sign up to the lung courses in our portfolio.

PCRS CONFERENCE

From the 24th to 26th September, we're going to be attending the PCRS Conference!

Held at the Telford International Centre, the event is created for clinicians, GPs, pharmacists, and many other workers and researchers within respiratory care.

If you're heading to the conference, be sure to come and say hello to the Rotherham Respiratory team for a chat about your education journey and how we can support you. We even have a prize draw where participants have the chance to win a free place on a course of their choice 🎁🌟

See you there!

The Primary Care Respiratory Society (PCRS)

Respiratory Conference

24th - 26th September 2026

Telford International Centre

CATCH UP ON AUGUST

Last month's newsletter had plenty of celebrations, from a new milestone number of Rotherham Respiratory learners, to awareness days and exciting community happenings.
